

SOME PEOPLE INHERIT A FAMILY - LILA HAD TO BUILD ONE

Cutie Pies by the Slice:

A 1930s Historical Novel of Strength and Belonging

Rich with the sights and flavors of Depression-era Ohio, **Cutie Pies by the Slice** is a heartfelt historical novel about resilience, friendship, second chances, and the extraordinary communities that grow from ordinary acts of generosity. Perfect for fans of **historical book club fiction** who love strong female protagonists, small-town historical fiction, found family, and novels where food brings people together. For readers of **Calamity Club** and **Heaven and Earth Grocery Store**.

Author Kimberly Nixon

Kimberly is passionate about the family story and wrestles strong, determined—and sometimes wild—personalities into main characters in her works of fiction. Her novels are based on true tales. Her first two novels, **Rock Bottom, Tennessee** and **Rock Bottom Rising** were inspired by the 1925 felony conviction of her grandmother in Tennessee
